The image shows the login and registration form on the right side of the page. It features two input fields: 'Email' and 'Password'. Below the 'Email' field is a blue 'Login' button. Below the 'Password' field is a blue 'Register' button. A red circle with the number '1' is positioned above the 'Email' field, and a red circle with the number '2' is positioned above the 'Register' button. A red rounded rectangle encloses the 'Email' and 'Password' fields and the 'Login' button. Another red rounded rectangle encloses the 'Register' button. At the bottom of the form, there are two links: 'Forgot Password' and 'Help'.

1. If you have a registered account, enter the registered “Email”  
enter “your personal password”  
Then click “Login” (please skip to page 13 of the user guide)
2. If you do not have a registered account, please click “Register”

### The First AI Communication Course in the World

Roland Leung

2021-06-17 12:30

Started from 2018, we have spent our efforts on the development of Composite Artificial Intelligence on simultaneous analysis of facial expressions, content expressions, voice expressions and body language expressions. We use AI to help learners simulating an immersive learning...

### Online course: Professional presentation and image

Roland Leung

2021-03-14 15:56

The online course tutored by Mrs Cheung Wai Tsz and Master Chris is available in Academy now. This course can improve learners' verbal and non-verbal expressions in a short period of time.
