Product Conference - Steve Jobs

Steve Jobs Presented iPhone in 2007. "Every once in a while, a revolutionary product comes along that changes everything ..." Steve Jobs said during a MacWorld keynote in 2007 and this was definitely hyperbole but the introduction of the original iPhone was a major moment in mobile history.

Communication Style of Singapore PM Lee's Public Speaking

How often would you see the leader of a country delivering National Day message on various national topics that are of key interest for that year? These speeches serve as a teaser to the new or changing government's policy that will usually be addressed during the National Day Rally two weeks later. In fact, he has been doing that every year since 2008. You may wonder who he is? He is no other than the current Prime Minister of Singapore, Mr. Lee Hsien Loong.
